Spotlight on Hepatitis B Forum or via LIVE WEBINAR

Tuesday 22nd August 2017 9:30am – 3:45pm Cancer Council Victoria, 615 St Kilda Rd, Melbourne

This forum will explore ways to improve responses to hepatitis B. There will be a focus on:

- access, engage and navigating the health care service
- the lived experience of hepatitis B
- progress and new development

For health and community workers and clinicians, people affected by hepatitis B and people working with communities affected by hepatitis B. **FREE Registration**

To register for your **live webinar stream** email erced@alfred.org.au or To register to physically attend visit: www.hepvic.org.au/spotlightonhepb2017

Understanding Personality Disorders

Tuesday 3rd October 2017 2pm – 4pm

This session will provide an overview of personality disorders in the context of HIV. The session will focus on different types of personality disorders, potential causes and associated behaviours including signs and symptoms. Participants will hear of methods used to successfully engage and work with people who have personality disorders.

Suitable for researchers, clinicians, nurses and other health and community workers in the HIV Sector. **FREE Registration**

Getting to Know STIs

November TBC

An introduction to Sexually Transmissible Infections (STIs) including current epidemiology, clinical signs, modes of transmission and available treatments.

This session will also examine strategies for talking about sexual health with clients and sexual health promotion initiatives. An essential workshop for anyone who wants to gain a basic understanding of STI's for their professional role.

FREE Registration

Getting to Know HIV

TBC

Participants will be provided with a comprehensive introduction to HIV including the history of HIV/AIDS, epidemiology, transmission, testing, stages of infection, current treatments and related social issues. This session will include a mix of presentations and case studies providing a clinical overview. Suitable for those who may want to gain an introductory knowledge of HIV as well as those who may have recently commenced work within the blood borne virus and STI sector

FREE Registration

The ERC would like to thank the following people and organisations for their valuable contribution to the training calendar as well as our Vodcasts:
